

A note from art for all parents...

Hello-thank you to the many families that have already sent their child(ren) in with a sketchbook. All students need a sketchbook for art. We will be using them as a class for practicing ideas, and honing our skills. A sketchbook is a great tool to use and have in art, as it can serve as a safe place to practice drawings, sketch out ideas, and even become a visual diary for both you and your child(ren) to see artistic growth.

If your child has hers/his from last year and there are blank pages, please, just send that one in.

Here are some examples of sketchbooks.

They are all standard size paper- 8 ½" x 11".

Please make sure your child's name is written on the front cover as well as his/her class.

Thanks, Ms. King & Ms. Cher
